Art by Preference LLC
INDIVIDUAL PAINT PARTY
TERMS & CONDITIONS

Preference is excited that you are considering having her as your paint party guide! Please read the following terms and conditions thoroughly before attending or host/essing an Art by Preference (ABP) paint party.

PURPOSE & GOAL:

An Art by Preference paint party is designed to make sure you have FUN, while encouraging you and giving you the tools to nudge you to create more and better on your own. Preference's priority is to make sure you feel good about what you are doing. An ABP art party is driven by the EXPERIENCE, and NOT the product.

DEPOSITS:

A \$50 non-refundable deposit is required to hold dates for an Art by Preference paint party. The deposit is applied to your final balance. This was previously used as a retainer for customer tardiness, but the current policy is that your party will end at the scheduled time regardless of when it begins unless previously agreed upon by customer and ABP or additional payment is made to retain service beyond expected time.

If you cancel the party completely before your final payment is made, the deposit is forfeited. (ABP may have lost an opportunity, holding your slot.) If your invoice is unpaid by the due date, you also risk losing your slot. ABP typically provides a courtesy notice in the event that another customer is interested in your slot before you make payment.

PAYMENT:

Payment is collected through an online invoice, but ABP does have offline options that may be used to apply payment. See [Payments Accepted on the website](#). All payments are made in advance; the due date is typically two weeks before the event, unless you have a large group or ABP agrees to short notice. If you request

a party with short notice, limited options are available for payment. You will be notified of your due date when your deposit is set up.

Payment may be collected from the host/ess or ABP can provide an option for individual guests to pay online.

IMAGE SELECTION:

Art by Preference wants to make sure that your event is to your satisfaction so you get to choose an image, send one for inspiration,* or have one customized. Just let Preference know your party theme or what you have in mind. ABP has images online to choose from and a host of images not shown online.

*Most images shared with ABP will be modified in order to ensure success for participants and to avoid copyright infringement. The final image will NOT be identical to the image you send. Preference always considers the range of skills and abilities of guests who may attend when creating samples.

CUSTOMIZATION & PREPARATION:

If you would like to have your image customized, ABP needs sufficient time to create your sample and get your feedback. Customization does not begin until a deposit is made. It is important that ABP receives your feedback and payment by the date(s) requested to allow sufficient preparation time.

ABP takes time to prepare materials for your event in advance for the most successful outcome. To ensure that ABP does not incur any unexpected loss, materials are not prepared until your payment is made in full.

IMAGE SAMPLES:

ONE sample is created based on your request using the images and information you provide during your consultation. MINOR adjustments can be made to the sample once you have reviewed it. If you are not satisfied with the outcome and would like another image, there is a \$50 redesign charge per new request.

CANCELLATION & REFUNDS:

Cancellations should be done as soon as possible and no less than 48 hours in advance. If using a venue, please be sure to follow their policies as well. No refunds, but a credit will be issued and can be redeemed within 3 months, based on

availability. Individuals not in attendance for a party that is held forfeit payment altogether.

ATTENDANCE:

Booking a private party with Art by Preference includes agreement to provide a safe and clean environment for ABP to conduct business, including carefully selecting guests.

FOOD & DRINKS:

Art by Preference does not provide food and drinks unless stated.

Any private events held in venues must consider the venue's policies for outside food and drinks.

ARRIVAL & SETUP:

Host/esses should have the party space ready with tables and chairs for ABP set-up at least one hour before the event is scheduled to begin (unless otherwise requested/agreed upon).

SUPPLIES

Art by Preference will provide the following supplies:

- All art supplies needed for the activity
- Table covers
- Floor covers when needed and safe (on non-slip surfaces)

SUBMITTING A PAYMENT FOR SERVICES BY ART BY PREFERENCE LLC MEANS YOU HAVE READ, UNDERSTAND, AND AGREE TO THE TERMS AND CONDITIONS STATED ABOVE.
