## Art by Preference LLC PAINT PARTY TERMS & CONDITIONS

**Preference is excited that you are considering having her as your paint party guide! Please read the following terms and conditions thoroughly before attending or host/essing an Art by Preference (ABP) paint party.**

### **DEPOSITS:**

A \$50 non-refundable deposit is required to hold dates for an Art by Preference paint party. The deposit is applied to your final balance. This was previously used as a retainer for customer tardiness, but the current policy is that your party will end at the scheduled time regardless of when it begins unless previously agreed upon by customer and ABP or additional payment is made to retain service beyond expected time.

If you cancel the party completely before your final payment is made, the deposit is forfeited. (ABP may have lost an opportunity, holding your slot.) If your invoice is unpaid by the due date, you also risk losing your slot. ABP typically provides a courtesy notice in the event that another customer is interested in your slot before you make payment.

### **PAYMENT:**

Payment is collected through an online invoice, but ABP does have offline options that may be used to apply payment. See [Payments Accepted on the website](#). All payments are made in advance; the due date is typically two weeks before the event, unless you have a large group or ABP agrees to short notice. If you request a party with short notice, limited options are available for payment. You will be notified of your due date when your deposit is set up.

Payment may be collected from the host/ess or ABP can provide an option for individual guests to pay online.

### **IMAGE SELECTION:**

Art by Preference wants to make sure that your event is to your satisfaction so you get to choose an image, send one for inspiration,\* or have one customized. Just let Preference know your party theme or what you have in mind. ABP has images online to choose from and a host of images not shown online.

\*Most images shared with ABP will be modified in order to ensure success for participants and to avoid copyright infringement.

### **CUSTOMIZATION & PREPARATION:**

If you would like to have your image customized, ABP needs sufficient time to create your sample and get your feedback. Customization does not begin until a deposit is made. It is important that ABP receives your feedback and payment by the date(s) requested to allow sufficient preparation time.

ABP takes time to prepare materials for your event in advance for the most successful outcome. To ensure that ABP does not incur any unexpected loss, materials are not purchased or prepared until your payment is made in full.

### **CANCELLATION & REFUNDS:**

**Cancellations for private parties** should be done as soon as possible and no less than 48 hours in advance. If using a venue, please be sure to follow their policies as well. No refunds, but a credit will be issued and can be redeemed within 3 months, based on availability. Individuals not in attendance for a party that is held forfeit payment altogether.

**Cancellations for public parties** may occur if minimum at venue is not met or extreme uncontrollable circumstances occur. Refunds will be provided ONLY if the event is canceled by the venue/ABP. No refund will be provided if you can't attend.

### **ATTENDANCE:**

I have read and understand the cancellation policy for this event. If I have booked a private party, I agree to provide a safe and clean environment for Art by Preference to conduct business, including carefully selecting my guests.

If I am attending a public event, I agree to act responsibly and not cause disruption. If the event is held in a venue, I agree to abide by their rules and regulations as well. For any event, I agree to bring good energy and be prepared for a great time!

## **FOOD & DRINKS:**

**Art by Preference does not provide food and drinks unless stated.** I am aware that food and drinks will be purchased on site at PUBLIC venues who sell those items. When alcohol is served, participants must provide proper ID.

Hosts and participants may bring food and drinks to their PUBLIC events ONLY IF previously approved and none is available for purchase, and to PRIVATE events held in PRIVATE locations at any time.

Any private events held in venues must consider the venue's policies for outside food and drinks. FUNDRAISER events vary based on the individual case.

## **ARRIVAL & SETUP:**

***If I am a guest,*** I understand that I should arrive *at least* 15 minutes early to have the best experience. If I arrive late, I understand that it is my responsibility to get caught up should my instructor be preoccupied.

***If I am a host/ess,*** I will have the space ready for ABP set-up at least one hour (unless otherwise requested/agreed upon) before my event.
